PETITION TO WITHDRAWAL HOLDING OF ABANDONMENT

Sir:

Applicants respectfully request that the abandonment of the above-identified case be withdrawn.

Applicants received a Notice of Abandonment for failure to timely reply to the Notice to File Missing Parts in the above-identified matter. The following information is being submitted promptly after applicants have learned of the abandonment on the basis that the Notice of Abandonment was mailed on August 21, 2001.

In response to the Notice of Abandonment, submitted herewith is a copy of the complete Response to Notice to File Missing Parts previously filed and mailed on July 3, 2000, showing a Certificate of Mailing executed on July 3, 2000.

A statement based on personal knowledge and attesting to the timely transmission of the correspondence referred to above is attached. This statement is believed to be satisfactory to the Commissioner. Also enclosed is a Declaration of Ms. Kiefer indicating receipt of the return card from the United States Patent and Trademark Office, which was subsequently misplaced.

Therefore, Applicants do not believe that any fees are due. However, in the event that such fees are required, the Applicants hereby authorize the Commissioner to charge any fees or credit any overpayments to Haynes and Boone, L.L.P. DECLARATION OF SUZANNE M. KIEFER

I, Suzanne M. Kiefer, declare and say that:

1. I am the Staff Supervisor in the Intellectual Property Practice Group of the law firm of Haynes and Boone, LLP, 901 Main Street, Dallas, Texas, United States of America.
2. I have over 13 years experience as a legal assistant and have been employed by Haynes and Boone since January 1998.
3. I currently supervise the legal assistants, docketing department, secretaries, and records departments for the Intellectual Property Practice Group. I additionally am in charge of the implementation of policy and procedures as they relate to each of those areas.
4. On July 3, 2000, a Response to Missing Parts was responded to in the above-identified application. Our normal procedure is to docket the postcard receipt of the item being sent to the U.S. Patent and Trademark Office for one (1) month. The Attachment "A" shows the docket entry for the postcard and the date which we received the postcard back from the U.S. Patent and Trademark Office for the Response to Missing Parts (entry highlighted in yellow). The return postcard was docketed for August 3, 2000. Our records indicated that we received the return postcard back in our office on December 3, 2000.
5. All return postcards for each of our Haynes and Boone offices have a return address for our Dallas office at 901 Main Street, Suite 3100, Dallas, Texas 75202. The correspondence address for this application is to our Haynes and Boone office in Houston, Texas. Normal practice is for the return postcard to be received and docketed in our Dallas office and then sent via overnight mail to our Houston office for incorporation into our internal application file. Unfortunately, we do not have the return postcard for this particular action. However, we can confidently confirm that the return postcard was received in our Dallas office because of the procedures that have been implemented within our office.

I declare that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true and that these statements were made with the knowledge that willful false statements, and the like, so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
